However, if the community college located where the applicant lives **does not** offer the degree or program in which the applicant enrolled, the applicant may attend any other Maryland community college that offers that program.

Award Details

Q. What is the award amount for the Promise Scholarship?

The annual award amount is up to \$5,000 per recipient, or actual tuition and mandatory fees (after Federal and State financial aid is applied), whichever is less. The minimum award amount is \$100 annually (\$50 per semester).

Q. How is my award determined?

The Promise Scholarship covers the **remaining** tuition and mandatory fee amounts after all Federal and State financial aid funds have been applied.

If there is no remaining need after the Federal and State financial aid awards have been applied, the Promise Scholarship will **not** be awarded. Applicants will see a status of “Ineligible due to no unmet need” on their MDCAPS account.

Q. Will awards be prioritized?

Yes. Renewal applicants are prioritized over initial applicants. Initial applicants are prioritized based upon greatest demonstrated need.

Q. Does the Promise Scholarship cover all community college costs?

No. The Promise Scholarship helps pay for community college tuition and fees (after all Federal and State financial aid has been applied). The Promise Scholarship does not cover other costs such as books, room, and board.

Q. If I am selected for FAFSA Verification when will I be awarded?

If you have been selected for FAFSA verification, you **must** contact your financial aid office as soon as possible to complete this. You must complete this in order to be awarded the Promise Scholarship. Not all applicants are selected for FAFSA verification.

Q. My award status in the MDCAPS Portal says “Qualified”. What does that mean?

A status of “Qualified” means you are eligible for the award but have not been awarded. Until MHEC performs initial awarding in mid-August, applicants who submit all required documentation and are determined eligible for the Promise Scholarship will display this status.

Applicants selected for FAFSA Verification will also display the “Qualified” status until the school completes the verification process.

Q. How will I be notified if I received the award?

Applicants will be notified by email, using the email address as reported on their MDCAPS account, if they have been awarded the Promise Scholarship. Also, applicants can monitor the status of their application online through their MDCAPS portal.

Q. How do I check the status of my award, if I haven’t received any emails from MHEC?

Log into the MDCAPS Portal to view your Promise Scholarship status. Select “**Check Application Status**” for updates concerning your application status.

Also, check the Spam/Junk folder in your email account on a regular basis to catch any missed messages. You should add donotreply@maryland.gov to your email account's Safe Senders list.

Q. When will annual awarding occur for each academic year?

Awarding for the 2023-2024 academic year will occur by September 15, 2023. Applicants should continue to monitor their MDCAPS accounts for updates.

Q. What if I'm not awarded the Promise Scholarship?

Applicants not awarded a Promise Scholarship as a result of not completing the FAFSA Verification requirements with the school, or who are placed on a waitlist due to the availability of funding, should view the [MHEC website](#) for a complete listing of other scholarship and grant programs available. You should also find out what scholarships and grants are offered through the college you are attending.
